

# Representative Blues

*The following players appeared in various representative sides. Some players may have played in representative matches whilst with other clubs, however, the totals given here are solely for appearances made while Everton players. The date given for each match is the actual year in which that match was played. W.R.Downs and J.Peacock played in the "Whites v Reds" match in which two Football League representative sides played against each other in an exhibition match during 1922.*
